SPECIAL FORCES & SPECIAL OPS

Cheer Abilities at Woodlands Elite

Special Forces & Special Ops are our Cheer Abilities teams made up of athletes ages 3 & up with varying types of differences and limitations. Our mission is to provide an opportunity for athletes of all abilities to participate and compete in the sport of all-star cheerleading, from tumbling and stunting to the thrill of performing in front of a large crowd!

These special teams will focus on developing strong fundamental basics of cheerleading, combined with fun and learning to give athletes of all ages and ability levels a great team experience. We are always looking for new faces to join our Cheer Abilities program. If you know of someone who may be interested in joining Special Forces, please contact our Humble staff for more information!
